FLAGS

Get Noticed Indoors and Out!

Flags are printed using superior direct-to-fabric dye sublimation equipment for the longest lasting color of any type of fabric printing available. These premium quality products are printed on lightweight 3oz polyester and can easily be spotted from a distance. The fiberglass rod tip on each Flag can be shaped to accommodate Feather or Teardrop Flags, and the universal pole fits both indoor and outdoor applications. Flag hardware is fabricated using robust aluminum rods that are powder-coated in black for long-lasting durability. A portable canvas carrying bag is included so Flags can be folded, stored and assembled with ease.
